

Tätigkeits- und Wirkungsbericht 2025

Vorstand: - Vorsitz. M. Coners - Vorsitz. C. Karpen - Beisitzer: K.E. Lutterbeck - Beisitzer: Dr. A. Deppermann	Mitglieder 17	Entwicklung + 1
---	-----------------------------	-------------------------------

Beispiele unsere Aktionen / Wirkungsfelder

Ökumenischer Impulstag 2025	Trucker Grillfest	Förderung der Nachbarschaft	Gebets- und Netzwerktreffen Dorsten	Woche des Grundgesetzes	Ehrenamts- kalender

Ökumenischer Impulstag 27.09.25

Am Impulstag bringen wir Menschen aus unterschiedlichsten Kirchen und Stadtteilen zusammen. Unser Ziel ist es, das Gäste mit mehr Mut und Zuversicht in den Alltag gehen. Dies erreichen wir durch emotionale Musikbeiträge und Kurzimpulsen, die zum Nachdenken und Handeln anregen. In diesem Jahr haben etwa 120 Gäste teilgenommen.

Nachbarschaftsaktion

Gemeindemitglieder aus vier Gemeinden haben am Tag der Nachbarschaft (23.05.25) Personen aus Ihrem Wohnumfeld besucht. Dazu haben wir Sets verteilt mit einer schönen Postkarte und einem "Merci". Das Ziel war,

das diese Menschen wieder mehr in den Dialog kommen und sich austauschen.

Gebets- und Netzwerktreffen

Monatlich gibt es ein ökumenisches Gebet im Ratssaal der Stadt Dorsten sowie ein Netzwerktreffen, wo wir Projekte planen und Gemeinschaft pflegen.

Beitrag zur Woche des Grundgesetzes

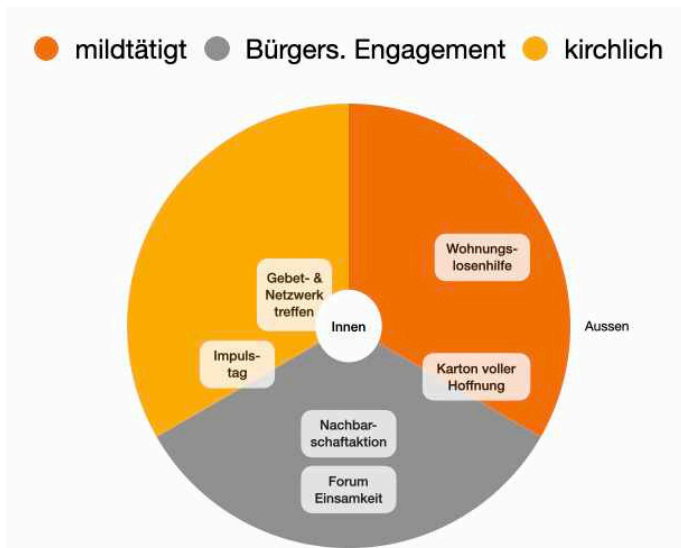

In Kooperation fand eine Workshop unter dem Thema “Mehr Frieden im Alltag – das wäre so schön” im Rahmen der jährlich stattfindenden Woche des Grundgesetzes statt.

Trucker Grillfest

Um auf die schwierige Lebenssituation vieler Fernfahrer hinzuweisen und um Ihrer Arbeit mehr Wertschätzung gegenzubringend, haben wir am alle Trucker auf dem Rastplatz Holsterhausen zu einem Grillfest eingeladen.

Dorstener Ehrenamtskalender

Dieses neue Projekt hat das Ziel das bürgerschaftlichen Engagement unserer Stadt zu stärken und auf die vielen Möglichkeiten der gesellschaftlichen Teilhabe hinzuweisen.

Trotz insgesamt geringer wirtschaftlicher Mittel konnten viele Projekte in diesem Jahr umgesetzt werden und es gelang auch eine ausgewogene Berücksichtigung der Vereinsziele.

STANDARDS IN NUMBERS

Group 1 raised higher results, overshadowing the combined results of groups 2 to 4

This year, group 1 was made up of three main items, the combined value of which were still more significant than all the other subgroups

Use the power of data storytelling through interactive charts! Use a treemap to visualize your large sets of data while maintaining their hierarchy and relationship. This chart is interactive, which means you can click and zoom in on a specific section or subsection.

Accompany your chart with a short description to complement the data and guide your readers as they toggle through the information.

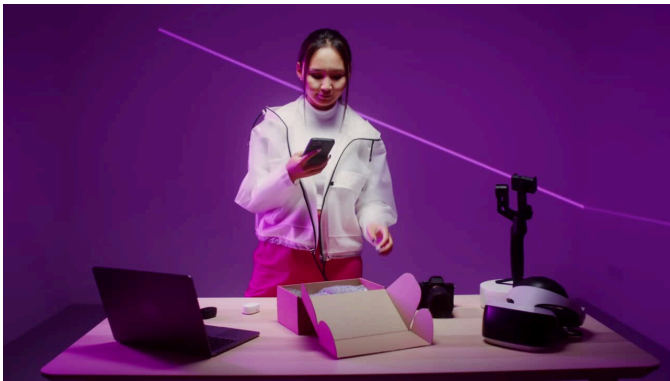

SUSTAINABILITY IMPACT

This section breaks down the company's achievements in each aspect of the ESG space - environment, social, and governance. ESG is a framework by which business practices and performance are assessed, usually to measure business risks and opportunities.

+30,000	+15	+110M
Trees planted over the past year	Partnerships or carbon capture and sequestration projects	Raised and funded for non-profits supporting humanitarian causes

Our Products and Processes

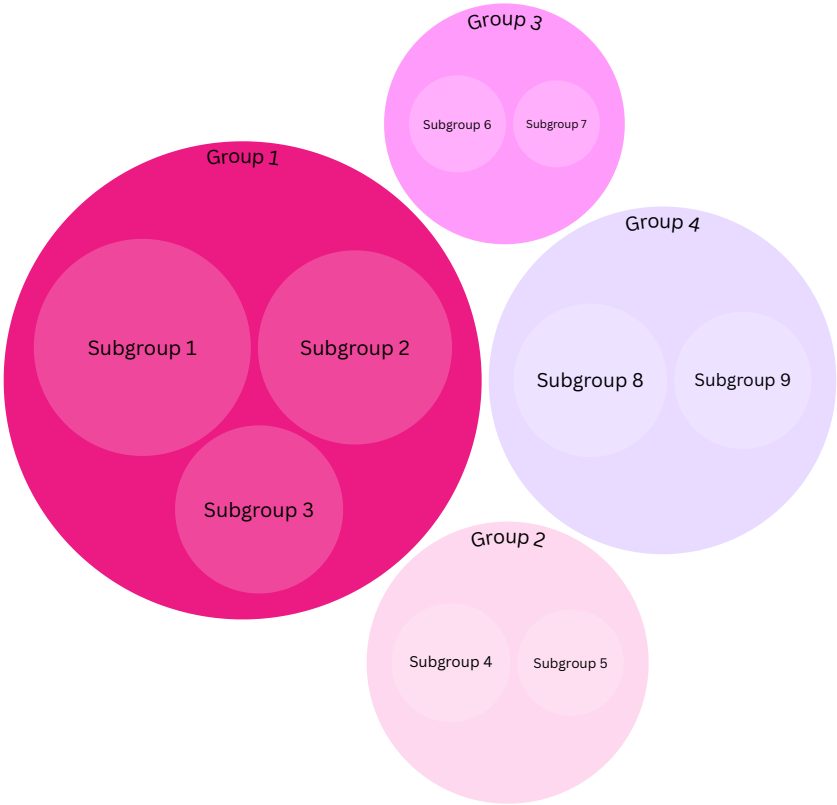

How is sustainability built into your products, processes, and services? Describe how you're investing in a value chain that considers factors beyond economics.

Social Responsibility

Describe the company's approach to social responsibility, including its commitment to ethical business practices and fair labor standards. It will be helpful to share examples of the company's initiatives to support its employees, local communities, and other stakeholders.

The company has started to increase the population of **Group 1**

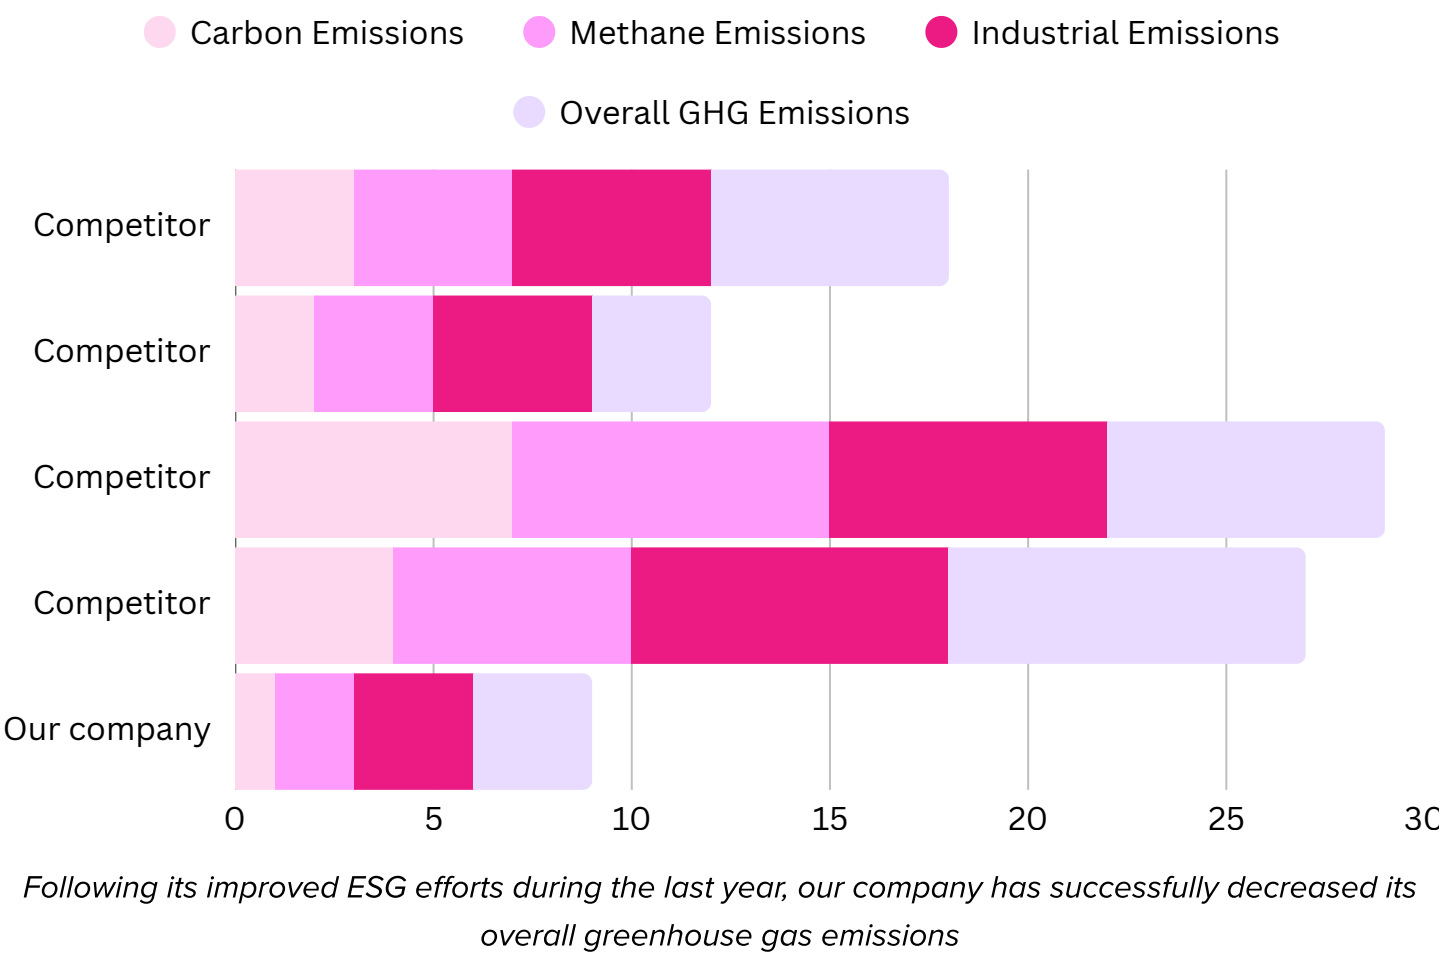

New groups 2 and 3 have also started to emerge within the company

Environmental Stewardship

Outline the company's environmental performance, including its carbon footprint, water and energy consumption, and waste reduction efforts. Include any initiatives to promote sustainable practices, such as renewable energy use and sustainable sourcing.

Company emissions remain the lowest among competitors

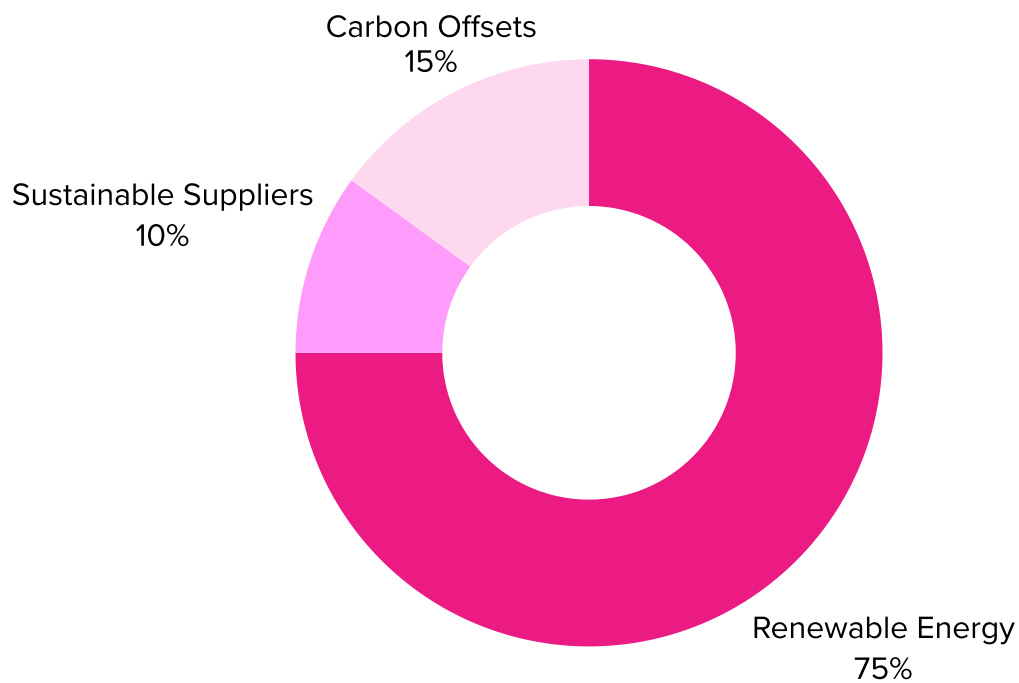

ONGOING EFFORTS

Economic Viability

Economic growth is an essential aspect of long-term sustainability. In this section, discuss the company's financial performance and its contribution to the local and global economy. Emphasize how sustainability is integrated into the company's financial strategy and decision-making processes.

Renewable energy serves as the center of upcoming financial strategy

The company will allocate a big chunk of its budget to investments in renewable energy. The remaining 25% of the budget will be divided between securing carbon offsets and partnering with sustainable suppliers.

Market Expansion

You can also talk about expansion into different markets, as applicable. Annotated maps can help readers visualize your growth.
